

Prot. №. 16/2026 EN

Izmir, April 13, 2026

The Catholic Bishops' Conference of Turkey and the faithful living in our country XIV their solidarity and filial affection express to His Holiness Pope Leo, following the arrogant and unfounded statements about him made by President Trump.

The Catholic Church living in Turkey will always stand alongside the Successor of Peter in raising its voice, according to the teaching of the Gospel, in favor of peace, justice, and respect for the dignity of every person.

We pray to the Lord to grant Pope Leo XIV the strength and joy to continue his ministry and to be everywhere a proclaimer of the Gospel and a sign of the love of the Risen Christ, the Good Shepherd.
